

Description:

ULTRA SHINY POLISH WITH WATER-REPELLENT EFFECT.

Scented, sealant and ultra shiny polish; it is the latest frontier for a long-lasting barrier. Its special patented** formula with “fluoropolymeric” technology for a “lotus” effect:

1. Creates a protective barrier that protects the bodywork up to 30 days*.
2. Increases abrasion resistance.
3. Adds a mirrored effect for an ultra shiny surface thanks to **patent n°1405717.
4. Has a long-lasting anti-static and rain-repellent effect that improves visibility when raining.
5. Is a low-foam product, does not stratify and therefore leaves no residue on the floor and bodywork.
6. The perfume does not contain allergens, in accordance with attachment III part one of regulation 648/2004.
