OUR STORY

Interlinex is a B2B distributor that boasts competitive prices, which allows for a comfortable reselling margin. Unlike other establishments, we do not enforce a minimum order requirement. Therefore, companies, large and small, are able to depend on us as a long-term partner. We understand that the growth of the industry will only benefit everyone. Orders will ship out from our spacious 6,200 square meter warehouse facility, which houses e-mobility vehicles of prominent brands. To assure fast delivery, we employ various methods of shipment.
