Stamp / Information

■ GST-40

Tandemly-operated large flaps securely under control

ACE industrial tandem gas springs (push type) enable easy maintenance of supply boxes by making the heavy flaps easier to operate

Langmatz GmbH, 82467 Garmisch-Partenkirchen, Germany

■ PAL

Decoupling of ambient vibrations

PAL, the pneumatic isolators with automatic level control produced by ACE, provide this measuring machine with optimal vibration isolation due to their naturally low frequencies

BIBUS Kft und Semilab Semiconductor Physics Laboratory Co. Ltd., 1117 Budapest, Hungary

■ GS-8-V4A to GS-70-V4A

Made-to-measure stainless steel gas springs

With inclination angles of 15 degrees to the front and rear, the ACE stainless steel gas springs facilitate the work of nurses

Rifton Equipment, Rifton, New York 12471, USA

■ SDP63 to SDP160

Customized buffer beam dampers

Heavy safety shock absorbers, which are specially designed for this application, are able to brake in lock masses of up to four million kg

Mourik Limburg BV, 6101 AJ Echt, Netherlands

■ FDN

Invisible protection for cooker hoods

Rotary dampers in high-end cooker hoods safeguard the protection of drive units and protect chefs, even during power failures

berbel Ablufttechnik GmbH, 48432 Rheine, Germany

■ PN

Secure rod clamping

Pneumatic rod clamping allows hydraulic presses to be used for any application

KOMAGE Gellner Maschinenfabrik KG, 54427 Kell am See, Germany

Your innovative partner in the field of damping technology and vibration isolation

ACE Service

- Downloads: Product information in different languages
- PC ACE calculation software and online calculation services
- Extensive CAD component libraries
- ACE YouTube channel and video tips
- VibroChecker – free award-winning iPhone App
- 24-hour service
- Problem solving, measuring and consulting on premises
- Trainings on premises, at universities and in the ACE demonstration vehicle

ACE demonstration vehicle – your free trainings on premises. We will give you a demonstration on your parking place, you supply a 230V power connection.

www.ace-ace.com

Free service hotline
T +49 (0)2173 - 9226-4100

ACE booth – on our website you can find out at which trade fairs we are represented. We look forward to your visit.

ACE drop tester – a wine glass dropping free fall 1.3 m. Decelerated by a shock absorber not a drop of wine is spilled.

ACE Product Segments

Automation Control
 Optimal tuning for each design

Miniature Shock Absorbers, Industrial Shock Absorbers, Heavy Industrial Shock Absorbers, Profile Dampers, Damping Pads, Pallet Stoppers

Motion Control
 Ideal support for muscle strength

Industrial Gas Springs - Push Type, Industrial Gas Springs - Pull Type, Hydraulic Dampers, Door Dampers, Hydraulic Feed Controls, Rotary Dampers

Vibration Control
 Insulate unwanted vibrations

Vibration-Isolating Pads, Rubber-Metal Isolators, Low Frequency Pneumatic Levelling Mounts

Safety Products
 Protect constructions in any case

Safety Shock Absorbers, Safety Dampers, Clamping Elements, Viscoelastic Shock Absorbers
