

A photograph of two women standing on a wooden balcony with a view of the ocean. The woman on the left is wearing a long, light-colored, crocheted dress and a dark hat. The woman on the right is wearing a shorter, light-colored, crocheted dress. They are both looking out at the sea. The balcony has a wooden railing and white curtains in the background.

RESORT WEAR

we travel not to escape life,
but for life not to escape us

all crochet and label work is done by the artisans of bali
