

Moving the way you want.

Reliable and trustworthy logistics partner

Logistics - Custom Clearance - Transportation - Warehouse

www.resped.si

Our services

Customs clearance

We are authorized for customs mediation, consulting and tax representation in customs procedures for export, import and transit of goods.

Logistics

We offer comprehensive intermodal transport solutions and consultancy in the optimization of customs clearance, storage and transport procedures.

Transportation

Choose your perfect combination with part-load (LTL), full-load (FTL) or collector, and choose from different types of waste or hazardous materials (ADR) transport.

Warehouse

We handle your storage needs with care. We have our own warehouse near the Italian border and an open warehouse with an area of 2,000 m². We also offer tax storage of goods on consignment.
