KONFEKSİYON - MENSUCAT
İTH. İHR. SAN. ve TİC. LTD. ŞTİ.

elizi

Nova Konfeksiyon; It was established in Izmir / Turkey in 2018 and is a company that manufactures and exports. With our experienced team, we offer fast and high capacity production, export and import services based on the latest technology. Nova Konfeksiyon continues its way with its innovative direction and the vision of making quality production and timely delivery in domestic and foreign markets. It is our mission to design, produce and market clothing products for all family members that prioritize human health and provide comfort throughout the day by using all the innovations of technology in different climatic and living conditions.

Our; knitted, woven and sile bezi cloth fabrics produce all kinds of products and our monthly production amount is 10 000 pieces. As we do most of our production in our own structure, we also have some of our production done in approved manufacturers.

Although our company was established in 2018, our textile tradition has been going on since 1994. The elders of the family still continue to work on textiles.

The designs of the products we produce are completely our own.

Our professional approach is driven by a clear understanding of what the customer's needs are and a commitment to protecting product improvements.
