**WESTINGHOUSE
COOKWARE**

WESTINGHOUSE Black Marble Non-stick Cookware

Marble cookware includes pots, pans other cooking vessels that are coated with black marble nonstick surfaces. Allows effortless releasing of even delicate foods, including eggs and pancakes. Because little or no oil is needed, nonstick pans are a good choice for low-fat or nonfat dishes.

Our cookware features 3 layer non-stick marble coating interior and heat resistant marble coating exterior.

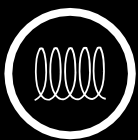

They are all PFOA free.

WESTINGHOUSE Cast Aluminum Cookware with QuanTanium® coating

The QuanTanium® is an internally reinforced, waterborne multicoat. It incorporates a unique mix of reinforcing titanium particles blended into the coating, which ensure that QuanTanium stands up to almost anything. The coating is made without PFOA. It is also dishwasher-safe, metal utensil safe and oven safe up to 446 °F / 230 °C. The coating is formulated to comply with food contact regulations in major markets.

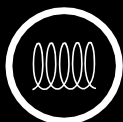

Performance Series

CAST ALUMINUM COOKWARE WITH QUANTANIUM® COATING

Our cast aluminum cookware with 3 layer QuanTanium® coating and engraved logo. Pans feature riveted stainless steel handle and pots feature detachable silicone handle grips. Available in 4 colors (Blissful Black / Bravery Blue / Gracious Green / Rebel Red).

WESTINGHOUSE Ceramic Non-Stick Cookware

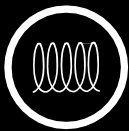

The cookware is made of die cast aluminum, the interior and exterior are ceramic coated for a smooth cooking surface. It is easy to clean, healthier due to the need of less oil to cook and much more resistant than other non-stick conventional materials. The superior heat distribution of the ceramic surface allows food to cook more evenly, and in less time. The cookware is dishwasher safe for added convenience.

WESTINGHOUSE Cast Iron Cookware

Our cast iron cookware is pre-seasoned. It provides a nonstick surface that's free of synthetic chemicals and requires less oil

Suitable for use on gas, electric, halogen, ceramic or induction stove tops, in ovens and broilers or even over the campfire.

Offers superior heat retention – ideal for high-temperature cooking, searing, browning, and caramelizing vegetables

Extremely durable for lasting performance

Cast Iron Series

SEASONED CAST IRON COOKWARE

The cookware that will last for generations.

Microwave Cookers

MICROWAVE COOKERS

Use your microwave to grill, fry and bake to perfection in a matter of minutes

WESTINGHOUSE microwave cookers

The cookers are made of a special composite material which can convert microwaves into infrared ray to heat your food.

This advanced heat wave technology can isolate microwaves and lock in moisture and nutrition.

The cookers can use microwaves to simultaneously cook the inside of your food to perfection and crisp up the outside. Use your microwave to grill, fry and bake to perfection and produce the home-cooked taste you love.

DISHWASHER
SAFE

FOOD GRADE

This series includes cookers that can grill, bake, steam, sauté, roast and make one-pot meals that are just as delicious as your BBQ, oven, or stove. Stay-cool and oven-safe silicone holders and locks.

Easy cleaning, by hand or in the dishwasher.

3 in 1 - vacuum, sweep and mop robotic vacuum cleaner with charging station. Supports Wi-Fi mobile app control and remote control.

SPECIFICATIONS:

- Battery: 2600mAh Li-Battery
- Charging time: 5-6 hours
- Working time: 80-120 minutes
- Dust bin capacity: 600 mL
- Water tank capacity: 350 mL

- Gyroscope navigation
- 4 working modes
- Adjustable suction power
- Scheduled activation
- Anti-drop, anti-collision and obstacle avoiding sensors
- Interchangeable electric controlled mopping with 3 level water flow adjustment
- DC14.4V 25 W
- Approval marking: ETL / CETL
