SHOPPING

Retail Solutions for Stores

Catalog

Mannequins Shopping

Mannequins Shopping is one of the European leaders in windows mannequins, busts, hangers, clothing rails, shopfitting and store equipment for professionals.

A simple concept: Cash and Carry

A warehouse of 15,000 m2 and a showroom located in Holland in the suburbs of Amsterdam and offices in Paris.

Mannequins Shopping offers all professionals all the products necessary for their setup and daily business

All our items are available in stock in large quantities (except the products tailored made).

This organization allows us to be reactive and to deliver everywhere in France and Europe in 48-96h.

Several product lines for thousands of items in stock: window mannequins, busts mannequins, torsos, store fitting material, store security equipment, professional lighting, hangers, clothes racks, packaging and paper bags.

A Team at your disposal

An experienced team for more than 15 years in mannequins and bust as in store equipment, shopfitting, retail and packaging.

Partners in Europe and Asia for quality sourcing in every product range.

Optimal organization

We mobilize our sales staff to find the best products at the best cost.

Regularly, the ranges of showcase mannequins, shop furniture and other items dedicated to shopfitters are renewed in order to correspond to evolutions of design and fashion.

LEVI'S

MADE & CRAFTED

Shop Lighting

Put your products in the spotlight with Mannequins Shopping's shop lighting. We always have 5000 LED spotlights of an A-brand in stock. These spots are available in premium white for an extremely high colour accuracy. Perfect for the retail.

THE RIGHT LIGHTING

Suitable catering lighting for your hotel, restaurant or café is important for your customer's comfort.

Choosing the right lighting for your Stores is something Mannequins Shopping can assist you with. With you we will create a lighting plan that is tailor-made for the space where the catering lighting will be applied. choosing the right heat color, lumens and posotiothe lamps are something you don't have to worry about.

Our lighting designers can build beautiful 3D lighting concepts for that perfect restaurant and that atmospheric bar, in which reflect and function come together.

ULTIMO

Compact and stylishly designed 3-phase rail spot with low glare. Equipped with a unique in-track driver for the most compact solution possible
