

**Food supplement «AKVION Multi women».** Not intended for use as a drug.

**Form of presentation:** 60 film-coated tablets, 1.66 g.

**Composition:** calcium carbonate, carrier: microcrystalline cellulose (E460i), magnesium oxide, ascorbic acid (vitamin C), ferric pyrophosphate, Lithothamnion sp. dry sea calciferous algae (Aquamin F), zinc citrate, choline bitartrate, nicotinamide (vitamin B<sub>3</sub>, PP), carrier: polyvinyl pyrrolidone (E1201), flowing agent: talc (E553iii), manganese gluconate, carrier: hydroxypropylmethylcellulose (E464), alpha-tocopherol acetate (vitamin E, carrier: converted starch (E1450), corn malto dextrin, flowing agent: amorphous silicon dioxide (E551), flowing agent: amorphous silicon dioxide (E551), carrier: croscarmellose sodium (E468), inositol, beta-carotene (carrier: converted starch (E1450), corn starch, corn glucose syrup solution, antioxidants: sodium ascorbate (E301) and alpha-tocopherol (E307)), corn maltodextrin, dye: titanium dioxide (E171), calcium pantothenate (vitamin B<sub>5</sub>), flowing agent: magnesium stearate (E470), carriers: stearic acid (E570), propylene glycol (E1520) and carboxymethylcellulose sodium salt (E466), multienzyme complex DIGEZYME (amylase, protease, lactase, lipase, cellulase, potato maltodextrin), aloe vera extract, cupric citrate, cholecalciferol (carrier: converted starch (E1450), sugar beet saccharose, antioxidant: sodium ascorbate (E301), medium chain triglycerides, flowing agent: amorphous silicon dioxide (E551), antioxidant: alpha-tocopherol (E307), vitamin D<sub>3</sub>), paraaminobenzoic acid, pyridoxine hydrochloride (vitamin B<sub>6</sub>), riboflavin (vitamin B<sub>2</sub>), rutin, thiamine hydrochloride (vitamin B<sub>1</sub>), alpha-lipoic acid, Bioperine black pepper fruit extract, ubiquinone (coenzyme Q<sub>10</sub>), lycopin (carrier: converted starch (E1450), corn starch, lycopin, corn glucose syrup solution, antioxidants: sodium ascorbate (E301) and alpha-tocopherol (E307), phytomenadione (carrier: guar gum (E414), sugar beet saccharose, vitamin K<sub>1</sub>), chrome asparaginate, folic acid (vitamin B<sub>9</sub>), zeaxanthin (carrier: converted starch (E1450), corn starch, sugar beet saccharose, antioxidants: sodium ascorbate (E301) and alpha-tocopherol (E307), potassium iodate, sodium selenite, biotin (vitamin H), cyanocobalamin (vitamin B<sub>12</sub>).

**Scope:** recommended as a food supplement – an extra source of vitamins (C, B<sub>1</sub>, B<sub>2</sub>, PP, B<sub>5</sub>, B<sub>6</sub>, B<sub>9</sub>, B<sub>12</sub>, E, K<sub>1</sub>, D<sub>3</sub>), biotin, beta-carotene and minerals (calcium, magnesium, iron, zinc, manganese, copper, chrome, selenium, iodine).

**Recommendations for use:** for women, 1 tablet 1–2 times a day with food. Period of administration – 1 month.

**Contraindications:** individual intolerance to the ingredients, pregnancy and breastfeeding, carbohydrates metabolism disorders. Please consult your doctor before use. Patients with thyroid disorders receiving iodotherapy should consult their endocrinologist before use.

**Storage conditions:** store in a dry place protected from sunlight out of reach of children at temperature of not more than 25 °C.

**Sale:** through pharmacies, specialty dietary food stores, specialty departments of food stores.

**Shelf life:** 2 years.

**Certificate of Registration** № RU.77.99.88.003.R.000389.02.20 dated 13.02.2020.

TR 10.89.19-141-58693373-2017 with change 1.

**Manufacturer:** «VTF» Ltd., Russia, 601125, Vladimirskaia Obl., Petushinsky District, Volginsky settlement, Zavodskaya St., building 107.

**Organization authorized to accept claims:** JSC «AKVION», Russia, 123112, Moscow, Presnenskaya embankment, 8, bld. 1, 8th floor, room IN, apt. 11, akvion.ru. Tel.: +7 (495) 780-72-34. All rights reserved by JSC «AKVION».
