

BENCH 104

Cast aluminium

Specifications

Cast aluminium bench system without back rest, consisting of four basic units. The system has a modular construction:

- A straight seating unit
- A seating unit bent at a 45° angle
- A seating unit bent at a 90° angle
- Base with inward-facing legs, joined to a plate at the lower end, with the upper end of the plate supporting the seating units

Mounting

Screw-on (recommended) or free standing

Finish

- Powder coating in standard RAL colours or DB 703 (other colours available on request at a surcharge)

		For screwing
