

OBLIQUE

Office
Home

The affordable Oblique unit is perfect for an expanding business due to its 3PP interconnectable capabilities.

POWER OUTLETS

Choose from 24 international power outlets available in black, grey and white. Optional colours are also available. Contact your closest distributor or visit: www.powerlogic.net

POWER OUTLET ORIENTATION

All power outlets are pre-fitted at any angle in 15° increments.

SWITCHES

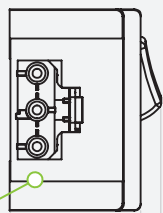

The unit is able to house a 15A Thermal Overload Switch as well as other standard red and green switches depending on request.

MOUNTING OPTIONS

The Oblique is usually a stand alone unit that can be screwed onto any surface through its mounting holes. There are also desk clamp options available. Visit www.powerlogic.net for options.

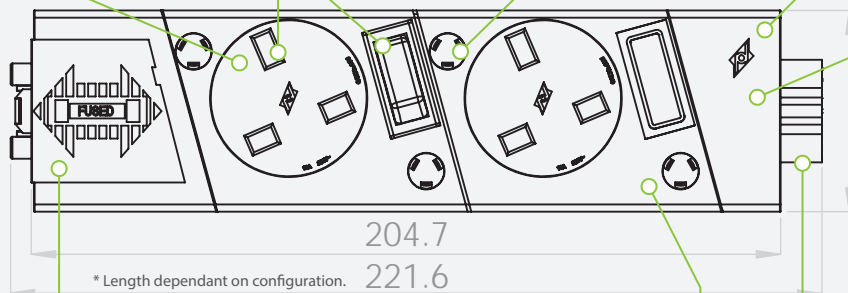

BUILT-IN PROTECTION

The unit adheres to international safety rules and regulations with its optional double insulation design.

35.8

41.1

204.7
