

# RETAIL MASHED potato

While making potatoes is fairly simple, it's still time consuming, and you need to have potatoes. If you don't have time to go to a store and/or cook, instant mashed potatoes are the answer.

**BASIC POTATO FLAKES** made with 100% real potatoes are indispensable in every kitchen. Just add water or milk and some extra butter for an even indulgent tasting mash. Or use it as a perfect coating or an ingredient for gnocchi, dumplings or potato bread.

**FULLY FLAVOURED MASHED POTATO** is the most convenient option. Just add water and in minutes you have carvable flavour in a flash. The popular choices are:

- mashed potato with cream
- mashed potato with chicken
- mashed potato with fried onions
- mashed potato with mushrooms
- other flavors are available

Family packaging:

- 200 g bag / sachet in carton box
- 300 g sachet in carton box
