

## PRODUCT INFORMATION

### CADAOIL GEARBOX CVT

Full synthetic automatic transmission fluid for CVT's

Cadaoil Gearbox CVT is a full synthetic transmission oil for the lubrication of modern Continue Variable Transmissions (CVT's).

Cadaoil Gearbox CVT can be applied in all metal-belt, which are mentioned under Performance Level.

Cadaoil Gearbox CVT offers optimal protection of the CVT under every condition and prevents wear at the metal contact points on the belts and pulleys.

Cadaoil Gearbox CVT protects the metal parts against wear and corrosion as well as inconvenient vibrations. Because of the special additives this oil has a durable quality, even under ongoing pressure.

Cadaoil Gearbox CVT is formulated to prevent air entry and foam building in order to guarantee optimum lubrications.
