for the following articles:

Quilt cover set, pillowcase, fitted sheet made of dyed, pigment printed woven fabric produced from 100 % cotton, dyed and reactive printed knitted fabric produced from 100 % cotton and cotton/elastane, including accessories (PES buttons, zippers, sewing threads, elastic tapes woven and printed labels); exclusively produced from material certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA, with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.
