

Baby Food

Products 2015

- DANALAC Baby Cereals is being produced in a modern baby food manufacturing facility with huge capacity and flexibility to adapt its processes and recipes to satisfy customers' needs.
- At Dana Dairy Group, we manufacture our own range of Danalac branded products and we also develop exclusive recipes for private labeling or for specific brands of large multinationals.
- We offer our clients a wide range of baby food, baby biscuits, flakes, including gluten-free products and tailor-made recipes, using specific ingredients and supplements. We also produce milk cereals and plain cereals, with fruits or vegetables.
- Our products can be Organic and/or HALAL certified.
